Ms. Wall,

Pursuant to our phone conversation today, I am writing to confirm that you agreed to provide the United States Environmental Protection Agency, Region 9 an extension until April 7, 2017, to respond to your Petition to Appeal Florence Copper, Inc.'s UIC Permit No. R9UIC-AZ3-FY11-1.

I would appreciate it if you would provide confirmation of this extension by responding to this email. Once I receive your confirmation, I will file a request for an extension with the Environmental Appeals Board.

If granted by the Environmental Appeals Board, this extension will allow Region 9 to provide a comprehensive response to all four petitions at the same time.

If you have any questions about this request please call me at the number below.

Thank you.
